

## **Food Drive Announcement to Homerooms**

*Good Morning!*

*The Leo club will be collecting non-perishable food items in each homeroom from today through next Thursday, January 17th. After the holidays, the food pantry can get low since most people donate during the holidays. However, many families still need our help! All items collected will be given directly to the Watertown Food Bank and will help local families in Watertown and Oakville.*

**Some items that are especially needed at this time are:**

- **canned tuna or meats: ham, spam, tuna**
- **stew and chili**
- **any type of soup (Canned, Ramen Noodles or dry mix).**
- **boxed potatoes & gravy**
- **coffee & juice boxes**
- **spaghetti sauce**
- **paper items such as paper towels, napkins, and toilet paper**
- **soaps & shampoos**
- **laundry detergent**
  
- **CASH can also be donated for the Food Pantry to purchase perishable items**

*Please put donated items into the labeled boxes. We will collect the boxes at the end of the week.*

*We really appreciate your help in supporting the needs of Watertown and Oakville families!*
