I give my consent for the above student to engage in athletic activities, to accompany the team as a member of its out-of-town trips and for any necessary transportation for same.

I am aware and agree that students who incur medical bills as a result of an injury in the interscholastic athletic program will be covered by family medical insurance. I am also aware that “uncovered” bills will be paid, or a percentage thereof, by the school’s insurance carrier.

I realize that such athletics involves the potential for injury and that even with the best coaching, use of appropriate protective equipment and strict observance of rules, injuries are possible and may result in total disability, paralysis or death.
